

ECHELON PLUS[®]

ORNAMENTAL ALUMINUM FENCE

Echelon Plus has taken the quality and performance of aluminum ornamental fencing to a higher level. The strength characteristics of the reinforced rail and posts, coupled with a superior powder coat finish, make Echelon Plus the most durable .75" ornamental picket product on the market.

The sleek design and superior quality of Echelon Plus is International Building Code (IBC) compliant.

- Exceeds all IBC 2018 Handrail & Guards load requirements
- Standard 8 ft. panels yield project savings
- Redesigned rail for increased strength and maximum load capacity

FORERUNNER® LOCKING SYSTEM

Ameristar reengineered the Echelon Plus ForeRunner rail for optimal performance and strength. The center rib on the reinforced post increases strength against wind loading and other horizontally applied forces.

Echelon fence systems are protected to endure the elements and are maintenance free.

Echelon fence systems are backed by over 40 years of excellence in the fencing industry.

Ameristar is committed to providing products that meet the Buy American Act.
